

## Medicine (MDCN) 440 – Applied Evidence Based Medicine

### Dissecting the System – Projects in Quality Improvement

Thank you for your interest in working on a quality improvement directed study. Please note that by indicating your interest by filling out this form, you are not making a commitment to participate in this elective. You will be contacted in short order to meet with the Faculty in mid-May to get more information and see if project might be developed to suit your interests.

Name	Contact Email
<b>Do you have any areas of interest?</b> (Topics you might want to pursue, areas of the system on which you might focus, people you might want to work with, medical specialty, etc.)	
<b>What dates in May 2017 might be suitable to meet for approximately 30 minutes?</b> Please provide as many options as possible.	
<b>Please note any questions you would like answered when you meet with the Faculty:</b>
